Mr. Don Cunningham

Dear Mr. Cunningham:

Your recent complaint filed with the Office of the Attorney General in Maryland has been forwarded to me from the Maine Department of the Attorney General for response. In your complaint you questioned whether the University of Oriental Philosophy, with a mailing address in South Portland, Maine, is duly licensed and authorized to offer degrees.

The existence of this institution has recently come to the attention of staff in the Maine Department of Education and its operations are being reviewed by the Office of the Attorney General here in Maine. Please know that the University of Oriental Philosophy has not been authorized to operate or to offer degrees in this state.

Thank you for bringing this matter to my attention as well as to the attention of officials in Maryland which may be where this entity is incorporated. I wish you well as you explore and pursue your postsecondary education and training options.

Sincerely,

J. Duke Albanese
Commissioner
